

MONMOUTH CONNECTION - WILL ABSTRACTS INDEX

Some items to note:

1. This index is current as of January 19, 2016.
2. Abbreviations follow the conventions set by the original will abstracts (e.g. W. = Will, Cod. = Codicil, Inv. = Inventory, etc.).
3. Names written in UPPER CASE denote that person as the decedent. Names written in mixed case denote that they were somehow mentioned in the document (whether a family member, witness or administrator).
4. The spelling of names appear as they are listed in the Will Abstracts and may be different from what we are used to today. Users of the index are encouraged to review the entire listing for common misspellings.
5. As with any transcription, errors can be made. Please notify Monmouth County Historical Association of any errors so that we may correct them in future editions.
